BELKIN STORE-AND-CHARGE STATION

Part # B2B074
MSRP: $199

Designed for K–12 learning environments, the Store-and-Charge Station makes it easy to keep tablets and e-readers organized, available, fully charged, and ready for classroom use. The station can even store and charge different kinds of devices at the same time, each with its own charging cable or adapter. And the open setup won't interfere with wireless syncing. Manage your mobile devices with this elegant, affordable Belkin solution.

Key Features and Benefits

- **Stores and charges** up to 10 tablets
- **Supports** most tablets and e-readers
- **Provides** quick access at easy-to-reach angles
- **Includes** numbered bays and label space for clear organization
- **Fits** on standard AV carts for transport
- **Ships** with a UL-certified Belkin surge protector
